PARKING IS NOT GUARANTEED

Purchase of a permit does not guarantee a parking space in a specific parking lot. Inability to find a legal parking space is not justification to park illegally. Notes left on vehicles do not constitute permission to violate parking regulations.

ENFORCEMENT

The Parking Enforcement division of the University Police Department issues parking citations. Business hours are 9am-11:30am and 12:30-3:30pm, Monday through Thursday, excluding holidays. For lockout and jump-start assistance call 831/459-2231.

HOW TO DISPLAY YOUR PARKING PERMIT

Your permit can be displayed with the front facing out on the rearview mirror, face up on the driver’s side of dashboard, or face out in a windshield sleeve. All parts of your permit should be visible to Parking Enforcement from outside the vehicle; permits displayed with information covered or blocked on the dashboard or by window tinting may be subject to citation.

DISABILITY-RATED PARKING

UC Santa Cruz has two types of parking spaces for those who have disability-rated parking needs: standard and van-accessible (defined or DMV) parking spaces, and Medical spaces.

Medical spaces are standard-sized parking spaces intended for those who need close-in parking due to a medical condition, but who don’t require the extra space provided by DMV parking spaces.

If you have a DMV placard or plate, you may park in Medical, A and R DMV spaces, and the students must also display a valid UCSC parking permit with their DMV placard or plate.

If you have a UCSF Medical permit, you can park in Medical or A DMV spaces and present that anyone without a DMV placard from parking in DMV parking spaces.
