ARCH-BIO CAREER TALK FREE PIZZA!

LAUREN ZEPHRO

Lauren specializes in forensic anthropology, latent print examination and crime scene investigation. As a laboratory director, she oversees the Santa Cruz County Crime Laboratory and Property and Evidence Sections. She actively works as a forensic anthropologist for Santa Cruz County and for surrounding counties, as needed. Winter quarter of 1992, Lauren discovered forensic anthropology while taking Alison Galloway's Forensic Anthropology and never looked back!

ERIK ZABORSKY

Erik Zaborsky is the Assistant Field Manager and Tribal Liaison for the Bureau of Land Management (BLM) Central Coast Field Office in Marina, CA. Erik was the Archeologist for the Hollister Field Office and Fort Ord National Monument for nearly 20 years. He has been the Archeologist at the local BLM office since 1998. He received his BA in Anthropology at UC Santa Cruz (Crown 1994), then earned a Certificate in Archaeological Technology at Cabrillo College, and finally received his MA in Anthropology at California State University, Bakersfield.
